

Lecture Notes in Logic, 1–12 ASL Order Form

The *Lecture Notes in Logic* series has been published by the Association for Symbolic Logic since 1991; until 1999 this was done in cooperation with Springer-Verlag (volumes 1–12) and since 1999 this has been done in cooperation with A K Peters, Ltd. (volume 13 and beyond, plus reprints of some older LNL books). The original stock of most volumes from the Springer-Verlag series can be ordered from the ASL using this order form.

The books available via the ASL are listed below (to order, check the box, fill out the form below, and return as indicated). Volume 13 and beyond, plus reprints of some older LNL books should be ordered from A K Peters, Ltd. at the address below.
