ASL NEWSLETTER

April 2017

- **2017 Sacks Prize.** The ASL invites nominations for the 2017 Sacks Prize for the most outstanding doctoral dissertation in mathematical logic. Nominations must be received by September 30, 2017. The Sacks Prize was established to honor Professor Gerald Sacks of MIT and Harvard for his unique contribution to mathematical logic, particularly as adviser to a large number of excellent Ph.D. students. The Prize was first awarded in 1994 and became an ASL Prize in 1999. The Fund on which the Prize is based is now administered by the ASL and the selection of the recipient is made by the ASL Committee on Prizes and Awards. The Sacks Prize will consist of a cash award plus five years free membership in the ASL. For general information about the Prize, visit <http://www.aslonline.org/info-prizes.html>.

Anyone who wishes to make a nomination for the 2017 Sacks Prize should consult the webpage [http://www.aslonline.org/Sacks\\_nominations.html](http://www.aslonline.org/Sacks_nominations.html) for the precise details of the application process. A brief summary of the procedure is provided below.

Students who defend their dissertations (equivalent to the American doctoral dissertation) between October 1, 2016, and September 30, 2017, are eligible for the Prize this year. This is an international prize, with no restriction on the nationality of the candidate or the university where the doctorate is granted. Nominations should be made by the thesis adviser, and consist of: name of student, title and 1–2 page description of dissertation, date and location of the thesis defense, letter of recommendation from the adviser, an electronic copy of the thesis in pdf form, or the address of a web site from which an electronic copy in pdf form can be downloaded, and an independent second letter of recommendation. Nominations should be sent to the Committee Chair, Simon Thomas; pdf files sent as attachments by email to [stthomas@math.rutgers.edu](mailto:stthomas@math.rutgers.edu) are preferred. The form of such letters and other pertinent details can be found at the web site above, and need to be read prior to submitting a nomination. Correspondence should be addressed to Simon Thomas, Department of Mathematics, Rutgers University, Hill Center - Busch Campus, 110 Frelinghuysen Road, Piscataway, NJ 08854-8019, USA.

Those wishing to contribute to the Sacks Prize Fund may send contributions to the ASL office (ASL, Box 742, Vassar College, 124 Raymond Avenue, Poughkeepsie, New York 12604); All such contributions are tax-deductible within the USA.

- **ASL Membership Dues Increase.** The ASL Secretary-Treasurer will recommend to the ASL Council that in the year 2018 the dues for individual membership in the Association be increased to US\$102; in 2017 the dues are US\$94, and they have been at this rate since 2015. (For emeritus, student, and unemployed members, the 2018 dues will be US\$51 and in 2017 they are US\$47, as they have been since 2015.) Dues for Outreach individual members will remain unchanged at \$18. According to the ASL Constitution, if by August 1, 2017, at least 5 percent of the individual members petition the Secretary-Treasurer, the increase in dues would have to be approved in the 2017 ASL Election by a majority of those voting.
- **Call for Proposals: 2019 AMS-ASL Joint Special Session.** The ASL Committee on Logic in North America seeks proposals for an AMS-ASL Joint Special Session to be held at the Joint Mathematics Meetings in Baltimore, Maryland, January 16–19, 2019.
